## Punctuality

A growing number of children are becoming persistently late for school. As I'm sure you will appreciate this is embarrassing for the child as well as disruptive for the teacher and the class.

We understand that on occasions lateness is unavoidable but this should be the exception rather than the norm. There are often genuine reasons such as accidents causing traffic delays and adverse weather conditions. In such situations we will keep the registers open to allow people to travel safely and not be penalised for genuine circumstances. However we will now be shutting the registers early (9.00am) meaning that those children arriving late will receive an unauthorised mark. 10 marks over an 8 week period will result in a referral to the prosecutions officer for a fine. Please ensure your child arrives on time to avoid such action.

## British Heart Foundation

We are asking the children to wear RED on 6th FEBRUARY to raise funds for the British Heart Foundation. We are hoping you will support by sending your child with a silver coin. We look forward to sharing the total amount raised with you!

## Chatter Box Challenge

Early Years are taking part in the Chatter Box Challenge on 12th February. To help support them we are allowing the children a non-uniform day. The children are able to buy a cake on that day to raise funds so you may like to send your child with a silver coin.
