## Year 6 Project

Year 6 will be running their enterprise project next week. They will be running stalls and events including selling toys and snack, football competitions, etc. If your child wishes to support them please send them with a SMALL amount of money (probably no more than 50p) to spend at the stalls.

If you have any old teddies or toys you think may be of suitable quality for Year 6 to sell as part of their project please could leave them at the office. Also any old magazines, games and books for wet play times would be much appreciated.
