Anti-Bullying Policy

Christ Church C of E (VA) Primary School

Statement of Intent

We are committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our school. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively. We are a *TELLING* school. This means that *anyone* (children, staff, parents) who knows that bullying is happening is expected to tell the staff.

What Is Bullying?

Christ Church has adopted the Government definition of Bullying:

Behaviour by an individual or group, usually repeated over time that intentionally hurts another individual or group either physically or emotionally.

Bullying is different to other kinds of aggressive behavior in its repetitive and targeting nature.

Bullying can occur child to child, adult to child, or child to adult.

Bullying can be:

- Emotional being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures)
- Physical pushing, kicking, hitting, punching or any use of violence including damage to personal belongings
- Racist racial taunts, graffiti, gestures
- Sexual unwanted physical contact or sexually abusive comments
- Homophobic because of, or focussing on the issue of sexuality
- Verbal name-calling, sarcasm, spreading rumours, teasing, threats, insults
- Cyber All areas of internet ,such as email, instant messaging & internet chat room misuse
Mobile threats by text messaging & calls
Misuse of associated technology , i.e. camera & video facilities

Why is it Important to Respond to Bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Individuals who are bullying need to learn different ways of behaving.

Schools have a responsibility to respond promptly and effectively to issues of bullying.

Objectives of this Policy

- All governors, teaching and non-teaching staff, pupils and parents should have an understanding of what bullying is.
- All governors and teaching and non-teaching staff should know what the school policy is on bullying, and follow it when bullying is reported.
- All pupils and parents should know what the school policy is on bullying, and what they should do if bullying arises.
- As a school we take bullying seriously. Pupils and parents should be assured that they will be supported when bullying is reported.
- Bullying will not be tolerated.
