Dear Parent / Guardian,

We would like to invite you to a Parents and Early Years Learning (PEAL) workshop on Friday 16th January at either 9:10am or 1:30pm. We would like to develop our practice to include parents more fully in understanding and being a part of their child's learning journey. This initial session aims to encourage parents and carers into the setting to engage in play alongside their child and complete activities. Following this session, Mrs Boulton will run regular PEAL sessions on a Friday morning from 9:10am until 10:45am. Refreshments will be made available. Regular Friday morning sessions hope to inspire how you can support your child at home as well as learning some of the ways we support your child in school.

As a result of you attending the meeting you will receive a resource pack, including pencil crayons, scissors, glue etc to help support your child's learning at home, as well as supporting Learning Log homework tasks. **Please note that you will not receive a pack if you do not attend a meeting.**

Please fill in and return the slip below as soon as possible.

We look forward to seeing you.
